

Winter 2025 Lesson Packages and Custom Fitting

Winter Lesson Packages and Custom Fitting

Looking to keep your game sharp over the winter and need help keeping those New Years golf resolutions!! We have packages that will help you improve all areas of your game. These packages are for all men, women and juniors of all golfing abilities. All lessons will be given using the trackman and SAM Putt Lab. These systems are the number one systems on the PGA Tour and gives you accurate club and swing data along with video analysis. Listed below are few package options. Custom packages can be developed to accommodate your golfing needs. Please contact the golf shop if you have any questions. You can call 330-650-1192 or email jcampjr@cchudson.com.
